Office Memorandum • UNITED STATES GOVERNMENT

TO : Executive to the Director

DATE: 2 October 1946

FROM : Acting Chief, Interdepartmental Coordinating
and Planning Staff

SUBJECT: Relationship Between CIG and SWNCC

I believe that the Director should see the attached before its transmission to SWNCC.

The subject was developed during your absence and I believe has the Director's concurrence.

General Hilldring has already informally expressed a desire for the Director's attendance at the next SWNCC meeting which will be on 9 October 1946. The procedure contemplated by the attached documents is merely to formalize this.

If the Director concurs in the attached and the papers go forward from the front office, it is recommended that they go by special officer courier with instructions to insure personal delivery so that no confusion may result at that end.
